

Product Update

Release Date: March 2, 2010

A Division of Carson Manufacturing Co., Inc.

To: Master Distributors, Stocking Dealers, Dealers, OEM's, Service Centers
From: Brett Doughty, Product Marketing Manager
Subject: The Redesigned SA-361 Defender Remote Siren

Carson Improves Upon SA-361 Defender Design

The SA-361 Defender remote siren (SA-361-10 14) has been redesigned with a new look and added functionality! The improved Defender combines the same simple operation, reliable performance and full-featured siren options as the original SA-361, but in a smaller, more compact amplifier.

Size and user-friendly serviceability were the motivating factors in the redevelopment of this industry favorite. These key factors were achieved through the addition of terminal block wiring, which offers simple, plug-in connection to the amplifier; and the reduction of the internal electronics footprint resulting in a smaller amplifier with more versatile installation capabilities. The rugged SA-361 Defender remains the affordable choice for law enforcement, security, and volunteer firefighters.

*The SA-361-20
DEFENDER*

FEATURES

- **Compact** 100 watt amplifier with remote switch panel
- **Reliable** three position rocker switches feature Wail, Yelp, Phaser or optional Two-Tone/HiLo, Manual and Air Horn siren tones
- **DIP switch programmable** options allow siren to be customized for each installation
- **Instant-On** provides automatic power when a siren function is selected
- **Output indicator light** for diagnostics
- **Terminal block wiring** at the remote amplifier offers easy installation and serviceability
- **Hands-free Horn Ring Cyclor 2 (HRC2)** enables siren tone selection through the horn ring
- **Meets** Class A sound level requirements and is California Title 13 configurable
- **5 year** no-hassle warranty

The model number for the new SA-361 will be **SA-361-20 14**. This model number should be referenced when placing orders or making product inquiries. Please note that the SA-361-20 14 will replace the current SA-361-10 14 model. The SA-361-20 14 will be available for sale starting in April 2010.

AVAILABLE APRIL 2010!

At Carson, we employ a culture of constant improvement. We instill this philosophy in everything we do from product design, engineering and production to sales and service. The SA-361 is just one of many products being continuously evaluated for future improvements. We believe good is never good enough and work tirelessly to make good products better. Our sirens have stood the test of time and we have a 40 year reputation to prove it!
